

PhonepayPlus Industry Forum
4th November 2015

The forum will provide insight into recent developments and key pieces of work taking place in the forthcoming year. PhonepayPlus will open the forum with a presentation and core regulatory updates. This will be followed by a panel discussion on industry developments led by members of the PRS Industry and Industry Liaison Panel. The final session will look at PhonepayPlus' review into Investigations, Sanctions and Procedures, Part 4 of the Code of Practice.
